

“On the impact of the General Assistance Grant from Freeport Township”

Leveraging the financial resources of this grant, we expect to complete twice as many projects as planned for the April 2023-April 2024 “Rebuilding Year,” totaling six to eight homes in our second year of rebuilding work.

Thank you, Freeport Township Trustees and Supervisor Sellers, for helping us accomplish our mission. Together, we work to end blight, beautify our community, and build closer relationships that unite us as a stronger, more inclusive society.

Rev. Henry E. "Hank" Fairman
