

Veterans Assistance Commission of Stephenson County, IL

The Veterans' Assistance Commission (VAC) of Stephenson County is extremely thankful for Freeport Township's generous support through its grant program.

The VAC has used the funds to purchase and maintain vehicles for our VACSC Veterans' Van Service. Volunteer drivers use these vehicles to transport Veterans in Freeport who need rides to medical and official appointments.

Again, we thank Freeport Township for all their help.

Maryna Misiewicz,
Superintendent
Veteran's Assistance Commission
